## Coffee

A coffee experience like no other

### Coffee Tasting

65

4 x 50ml servings of different, but incredible, coffees. A tasting journey starting with the familiar and ending with the awe-inspiring.

#### Heirloom Blend

A signature blend with lots of body. A comforting and easy drink. Flavours of nuts, dark chocolate and raspberry.

#### Robinson Rivera Anaerobic Natural

An anaerobic natural Castillo from Colombia. Double fermentation highlights notes of cherry liqueur and cacao.

#### Nyamasheke Gitwe Honey

A honey processed, high-altitude Red Bourbon coffee from Rwanda. Fruity and juicy. Sweet orange, peach and caramel with a black tea finish.

#### Hyperprocessed Yn-09

A double anaerobic fermentation, a *lactobacillus* inoculation and a thermic shock. Smells like peaches, tastes like tropical fruit salad and wild honey.

### Coffee by the cup

150ml batch brews. Milk and sugar provided for taste.
